FORESTRY 'FIELD' DAY

SEPTEMBER 21, 2013

DELAWARE WILD LANDS

GREAT CYPRESS SWAMP - ROMAN FISHER FARM
24558 CYPRESS ROAD, FRANKFORD, DELAWARE

10:00 AM - 2:00 PM (LUNCH INCLUDED)

The Delaware Forestry Association & Delaware Tree Farm Program invites **YOU** to join us at our annual 'Forestry Field-day Event', highlighting local forest management practices. Participants will travel in and throughout the 10,500 acre parcel, unique only to this part of Delaware. We will view Atlantic White Cedar plantings and harvest sites, patch clear-cut areas managed for various activities, a wetland restoration project, an area where cypress was 'released' by controlling native hardwood species & reforestation methods, view numerous wildlife food plots, experience a White-tailed deer camp and data collection area, along with extensive woodland trails & drainage systems. The entire woodland tour will be conducted by bus travel, stopping at specific sites for deboarding and briefings - so come prepared with your camera and mosquito repellent! **RAIN or SHINE!**

The event is **FREE**, but we ask you to please pre-register by calling either Dot Abbott @ 302-730-4000 or Steve Ditmer @ 410-896-9283, no later than September 19th.

This field day is being hosted for members of the Delaware Forestry Association, Delaware Tree Farmers, Delaware legislators and members of the Delaware Council of Farm Organizations, along with their invited guests.

Look forward to having you join us!

The Delaware Forestry Association is a non-profit corporation of the State of Delaware (1982) and functions to support and protect private forest landowners and the forest industry's right to practice forestry through public policy and educational efforts.

2013 DFA Scholarships. CONGRATULATIONS to Jared Messick on being awarded a \$1,000 DFA scholarship and Kandace Burton, who received a \$500 DFA scholarship. Jared begins his forestry-related career as a freshman at the University of Delaware this fall and Kandace continues with her forestry career plans attending West Virginia University as a sophomore.
